Loss Control Services

*Complimentary safety programs & resources
for your workplace*

Western National Insurance Group is a private mutual insurer with over 100 years of experience serving policyholders' property-and-casualty insurance needs.

From our roots as a St. Paul-based fire insurer for Minnesota's creameries and cheese factories, to our current role as a super-regional insurer for individuals, families, and businesses all over the Midwestern, Northwestern, and Southwestern United States, our company has always defined success as a measure of the relationships we've built over time.

Western National enjoys an "A" (**Excellent**) rating from A.M. Best Company and continues to rank as one of the nation's top 50 property-and-casualty companies in terms of financial safety, consistency, and performance.
