

Personal Umbrella Insurance

Unanticipated events can result in large losses that generate expenses beyond the limits on your Personal Auto or Homeowner policy.

For Example:

- You cause an auto accident that permanently disables another driver.
- Your pet dog bites a child, causing physical and psychological harm.
- Your child is accused of cyber bullying, resulting in a defamation lawsuit.
- You accidentally injure someone while boating or hunting.

Personal Umbrella insurance offers an extra layer of liability coverage to protect you and your family from these and other claims. It's peace of mind for a modest price.

The preferred solution for your liability protection needs!
