

Western National has announced changes to its Homeowner Program resulting in Endorsements for Watercraft Liability and Matching of Siding and Roofing. You can now prepare a quote for these endorsements in *AgentsOnline* using the “Renewal Quote” function and add them to the policy using the “Endorse / Change a Policy” function.

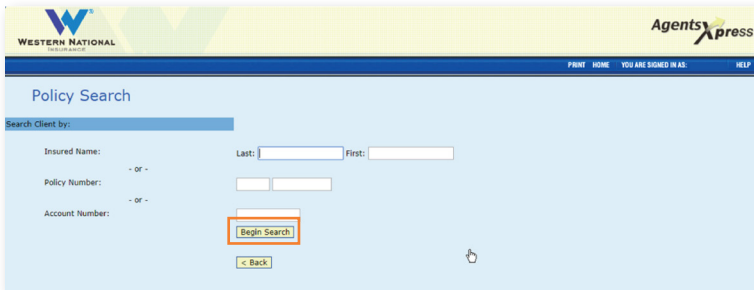

Adding Watercraft Liability and Matching of Siding & Roofing Endorsements

1. You can quote Watercraft Liability or Matching of Siding & Roofing coverage by clicking the “Personal” button in the dark blue box on the right side of the page under the title “Start a Quote/Application.”

A box will appear asking you to select line of business you are quoting and click “Quote Renewal.”

2. To search for the policy you want to quote, enter your customer’s Last and First Name, their policy number, or their account number and click “Begin Search.”

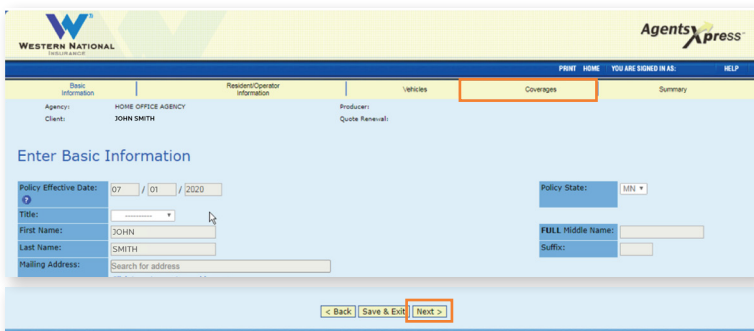

3. Your search will return matching results.

Select the policy you wish to view by clicking on the desired Policy Number.

4. You can quote the endorsements for Watercraft Liability or Matching of Siding and Roofing by clicking the “Coverage” tag at the top of the page or by clicking the “Next” button until you arrive on the “Coverages” page.
