IN OUR CHANGING WORLD, LAWSUITS ARE COMMON AND ARE EXPENSIVE.

WHEN PROTECTION MATTERS, WESTERN NATIONAL IS HERE TO SERVE WITH NO BURNING LIMITS!

As a private mutual insurer with over a century of experience our mission is to create products that truly benefit our policyowners. We define our success as a measure of the relationships we've built over time. We were founded for the benefit of our policyholders, since we have no stockowners!

## WHEN PROTECTION MATTERS

As a value added service, all our notary bond packages include Western National's Enhanced Errors and Omission Insurance.

**Not all Notary E & O is alike.** Most notary E&O policies have "burning" limits, meaning that defense costs including attorney's fees reduce the policy limits and accordingly, the amount available for the actual claim.

**Why Western National!** We enhanced our Notary E&O by providing an additional **50%** limit for legal/ defense and investigation costs to protect your notary. There are no deductibles and no unusual exclusions! The policy protects the notary against their errors and omissions. **Direct Bill is available on all notary packages!**

WHEN YOUR CLIENT CALLS IN A PANIC DID YOU OFFER WESTERN NATIONAL'S ENHANCED NOTARY ERRORS & OMISSION INSURANCE POLICY OR DO YOU HAVE BURNING LIMITS?
